EFFECT: Provides that Section 405 of the International Wildland Urban Interface Code (IWUIC) is not adopted as part of the State Building Code, as proposed in the underlying bill. Section 405 of the model IWUIC, as published by the International Code Council, Inc., authorizes code officials to require applicants to prepare fire protection plans based upon site-specific wildfire risk assessments that address water supply, access, building ignition and fire-resistant factors, fire protection systems and equipment, defensible space, and vegetation management.
